

Dede Ramoneda **Chair, Green Technologies Council**

Vice President & CIO / IT & Telecommunications **Progress Energy Service Company, LLC**

Dede Ramoneda is Vice President and CIO of Information Technology and Telecommunications at Progress Energy. Prior to being named CIO, Dede was Vice President, IT Systems Delivery and was responsible for leading the technology integration that successfully combined CP&L and Florida Progress Corporation.

Before joining CP&L, Dede was CIO and Director of Information Technology for the Delta Queen Steamboat Company in New Orleans, Louisiana. Prior to that, Dede spent twelve years doing systems integration consulting and practice management with a big five consulting firm.

Dede holds a Bachelor of Science degree in Industrial Management from Louisiana State University, a Master of Business Administration degree from Rollins College, and has also completed financial management courses at the Wharton School at the University of Pennsylvania.
