

2011 NCTA Tech-Connect Program Form

NCTA provides member Technology companies an online marketplace to generate new business by providing a discount on a technology product or service through Tech-Connect. To become a Tech Connect partner for 2011, please complete this form and return via email to Membership@nctechnology.org or fax to (919) 856-0396.

Tech-Connect Will:

- Be a 'Technology' member in good standing with NCTA;
- Provide a special offers/discounts on technology products/services to fellow members of NCTA;
- Provide a web link or pdf brochure (optional) to include on Tech-Connect portion of www.nctechnology.org;
- Be actively engaged in NCTA activities as a means to promote the partnership, get to know members, market the benefit of your offerings to members and provide expertise as appropriate; and
- Submit this completed form with requested attachments.

NCTA Will:

- Feature company name, short tagline on offering, hyper link and contact information under Tech-Connect Partners on *Member 2 Member Discounts* page on www.nctechnology.org; and
- To market, highlight and drive visitors to the Tech-Connect portion of the web site and discuss the benefits of Tech-Connect in NCTA communications.

Tech Connect Information

Product or Service Offering:

*NCTA/Partner web site:

** We encourage our Tech-Connect partners to create a, co-branded if possible, web page that welcomes NCTA members, provides information on your company and details the discount or special offer for NCTA members. (By hosting the page, this allows you to update the details of the program throughout the year)*

Company Logo: Please submit your company logo to Membership@nctechnology.org

For questions about the Tech-Connect, please contact Michelle Calton at MCalton@nctechnology.org or (919) 890-0771
