Dear Friends & Supporters of NCTA:

The North Carolina Technology Association is very proud of its accomplishments in 2008 and we are looking forward to another successful year in 2009. We are committed to our mission to offer world class Executive Engagement opportunities, advocate on behalf of the technology industry through our Public Affairs efforts and work on initiatives to help develop and retain the Knowledge Workforce.

As the voice of the technology industry to elected officials, business and education leaders, we work hard to bring people to together, to learn, network and influence this growing industry. Enclosed you will find a 2009 calendar of events and a list of our sponsorship opportunities. As you will see in the next several pages, NCTA's events are varied and diverse – and they remain the best planned and executed events in the industry. To continue our positive work, we ask for your financial support in sponsoring our events and programs this coming year.

For more information or to discuss sponsorship opportunities with NCTA, please contact Jennifer Bosser, VP of Executive Engagement & Enterprise Strategy at jbosser@nctechnology.org or Angela Hodges, Programs Manager at ahodges@nctechnology.org, or call (919)856-0393.

With kind regards,

Charlotte Women in Information, Science & Engineering (WISE)

The NCTA Women in Information Science and Engineering (WISE) program provides opportunities for women in all aspects of the knowledge workforce to pursue career and personal goals. The WISE program continually evolves, as NCTA works closely with a group of women, who represent member companies, to:

- **EDUCATE** - Produce informative and educational forums that are of interest to a diverse group of women;
- **ENGAGE** - Provide unique network opportunities for women across the state of North Carolina; and
- **EMPOWER** - Promote women in technology and encourage young women to pursue technology careers.

Quarterly events are schedule for:

- Wednesday, March 11, 2009
- Thursday, June 4, 2009 (in conjunction with NCTA’s Charlotte Conference)
- Wednesday, Sept. 9, 2009
- Wednesday, Nov. 18, 2009

*IT Job Trends Report and IT Workers Analysis (Monthly) **SOLD!***

NCTA will release a monthly **IT Job Trends Report and IT Workers Analysis** on the IT job market in North Carolina to be sent via email to our member wide distribution and made available online for download. This report will highlight the IT job market statistics in the state, providing an analysis in comparison to the national trends and highlighting what skills are in demand.

IT Job Trends Report Annual Sponsor \$9,000 (for all 12 monthly reports)

- Monthly Report co-branded between NCTA and Sponsor
- Company logo and contact information included on the report to be distributed to membership monthly and available by download at www.nctechnology.org
- Company to receive PDF document of the monthly report to disseminate to clients

Online Member Directory (New in 2009)

NCTA will launch an online searchable database of members accessible via login for members. This online membership directory will be widely used as a resource for member companies to contact fellow members and research companies in North Carolina.

Online Member Directory Annual Sponsor \$5,000 (Exclusive)

- 12 month exclusive sponsorship
- Online library to display as “brought to you by” company sponsor

Online Library of Business Articles and White Papers (New in 2009)

NCTA will launch an online member-created library of business articles and white papers. NCTA will collect technology articles for this library exclusively from member organizations not only as an added benefit of membership but also to highlight the experts that are within our membership. We will leverage the expertise of our members on business topics including emerging technologies and trends, security and business continuity, management and leadership, retaining and identifying top talent, and IT efficiency.

Online Library Annual Sponsor \$5,000 (Exclusive)

- 12 month exclusive sponsorship
- Online library to display as “brought to you by” company sponsor

Government Affairs Council

The Government Affairs Council assembles members interested in state legislative or federal issues as they pertain to their company or the economic landscape in North Carolina. Members serving on the Government Affairs Council provide thought leadership around NCTA's annual Legislative Agenda, which incorporates an enterprise approach on issues that include tax and regulatory, education and connectivity, as well as jobs and economic development. The committee also plans special events with public sector leaders. Meetings will be held as needed via in-person or conference calls.

Sponsor - \$2500 (Unlimited Available)

Sponsors of the Government Affairs Council recognize the importance of NCTA's voice on matters of public policy affecting the technology industry and our member companies/firms/organizations. This is the one area of NCTA activity that does require outside professional assistance. Your benefits include: Company listed (with logo) in printed and online material, including in NCTA Leadership Conference printed program ; Recognition at any meetings and events held under the Government Affairs Council umbrella (congressional briefings, etc.)

Government Vendor Council

Government Vendor Council (formerly Information Technology Roundtable) - provides an open forum for information sharing between vendors and state government representatives and is the primary source for vendor networking and information gathering. In 2009 this Council will also seek dialogue with policy makers to gauge what challenges they face that technology might help solve, so that NCTA members can explore how best to offer potential solutions. If your company sells to the state of North Carolina then you should participate on this council. Meetings will be held:

- February
- April
- June
- August
- October
- December

Host Sponsor – (Full Year Commitment Desired)

The Host Sponsor will provide (or pay for) meeting space and light refreshments for council meeting, must be able to accommodate up to 75 people. Your benefits include: Provide brief welcome remarks at the meeting; Company listed (with logo) in printed and online material, including in NCTA Leadership Conference printed program.

Green Tech Council

As a result of overwhelming response from our members, NCTA launched a Green Technologies Council in 2009. NCTA supports North Carolina becoming a national leader in the creation of "green" companies and a "green" workforce. We will engage our member companies to develop a strategy around green awareness, promoting green best practices, and advocating for policies that support incentives, funding and support for green technology companies. Meetings will be held:

- May
- October

Knowledge Workforce Council

Provides thought leadership, advocacy and action for building world-class, well-educated students and workers to make North Carolina a thriving hub for globally competitive companies. The Council has crafted an impressive 2009 strategy that includes:

1. Advocacy - to influence policy & secure funding for focused educational Investments;
2. Action - to engage in executable educational initiatives that make a focused impact; and,
3. Communication - to provide creative and ongoing communications for focused messaging around Knowledge Workforce issues, goals and successes.

Meetings will be held quarterly:

- February
- May
- August
- November

WISE Council

NCTA is committed to supporting the growth and development of women in the knowledge workforce. Our efforts in this area are led by our “Women in Information Science and Engineering” (WISE) Council. The Council, like the others, is open to women and men who are NCTA members and who have an interest in offering inspiration and information for women who are current and emerging leaders in Science, Technology, Engineering and Mathematics (STEM), as well as for young women making career choices. The Council will also provide input to the broader NCTA organization to ensure that these issues are integrated into our overall programming. Meetings will be held:

- May
- September
