On the map of Central Campus, the building is designated as LR, LX, and PE. Attendees are encouraged to enter the LRC using the Pease Auditorium lobby entrances, located on the east and west sides of the ground floor (west side pictured above). Signs will be posted at each building entrance with arrows guiding to LR 035.

**Parking:** The parking lot designated for visitors is lot "9" on the campus map. There is a \$3.00 charge to exit. Free visitors parking is available on the street level of lot "2" on the corner of Charlottetown Dr. and East Fourth St.

Handicapped parking is along both Pease Lane and Sam Ryburn Walk.

An elevator is located in the Pease Auditorium lobby that takes those in wheelchairs up the seven steps to the level of 035.
