

Technology enables organizations of all types and sizes, so membership in the North Carolina Technology Association (NCTA) is open to anyone. Once an organization joins, all of its employees receive member benefits. NCTA membership is annual, running 12 months from the time that you join.

Review the **Membership Categories** below to determine which most closely fits your organization. Then reference the **Membership Rate Structure** to determine your annual dues rate based on your membership category and headcount. You may also select to enhance your membership with the option to have a representative on the **Board of Advisors**.

MEMBERSHIP CATEGORIES

TECHNOLOGY Company whose predominant business is the development and/or sale of technology products or services. (e.g., advanced manufacturing, computer hardware, electronics/devices, energy, internet services, software and telecommunications)

TECHNOLOGY CONSUMER* Company that utilizes technology to meet business objectives and serve customers, but whose predominant business is not technology or professional services. (e.g., banking, consumer goods, healthcare, industrial goods, life sciences/biotech and retail) *For this category the NC headcount range is based on IT workers only.

ASSOCIATE** Company that provides professional services. (e.g., accounting, consulting, commercial real estate/development, legal, printing/fulfillment, PR, staffing and venture) **Solo practitioners, retired executives and professionals in transition who are not employed by an otherwise eligible company/organization may join as individuals in this category at a special rate per the chart below.

AFFILIATE Public or nonprofit organization. (e.g., government agencies, nonprofit organizations, K-12 schools and college/university departments)

OUT OF STATE A company/organization that has neither physical operations nor full time resident employees based in the state.

BOARD OF ADVISORS

The Board of Advisors is an enhanced Membership option that allows each NCTA member company/organization to designate one person to serve as an Advisor. The Board of Advisors gives NCTA a network of leaders from within our membership who can provide insight and advice during the year. In return, NCTA offers added visibility and recognition in a variety of ways (in print, online, special badging at events, inclusion in VIP activities, and more). Participation is \$600 annually and added to your regular NCTA membership dues. For more information about the Board of Advisors, including a roster of participating companies/executives, please visit our web site at www.nctechnology.org/about/board_of_advisors.aspx
